SINGING TOGETHER

Today's the day we've been waiting for,
Today's the best day of the year.
Tonight's the night we've been dreaming of.
I can't believe it's really here.
Can you touch the tension?
Can you feel the passion?
Can you see excitement in our eyes?
Can you catch the moment?
Remember it forever, as our spirits rise.

Singing together, joining our hearts and voices as one.
Feeling united, getting excited the great day has come.
Music has power deep inside,
bringing a feeling we can't hide,
spreading the message far and wide,
Watch Out World!

We sing the songs of the present day,
We sing the great tunes of the past.
As music's story lives through history,
It's up to us to make it last.
Can you touch the tension?
Can you feel the passion?
Can you see excitement in our eyes?
Can you catch the moment?
Remember it forever, as our spirits rise?

Singing together, joining our hearts and voices as one.
Feeling united, getting excited the great day has come.
Music has power deep inside,
bringing a feeling we can't hide,
spreading the message far and wide,
Watch Out World!

Ayo! Ayo! Ayo! Ayo! Ayo! Ayo!
Singing together
Ayo! Ayo! Ayo! Ayo! Ayo! Ayo!
Singing together

Singing together, joining our hearts and voices as one.
Feeling united, getting excited the great day has come.
Music has power deep inside,
bringing a feeling we can't hide,
spreading the message far and wide,
Watch out world!

PHINEAS AND FERB

There's a hundred and four days of summer vacation
till school comes along just to end it
So the annual problem for all generations
is finding a good way to spend it
like maybe
building a rocket or fighting a mummy
or climbing up the Eiffel Tower.
Discovering something that doesn't exist
or giving a monkey a shower
Surfing tidal waves, creating Nanobots
or locating Frankenstein's brain (it's over here!)
Finding a Dodo bird, Painting a Continent
or driving your sister insane!
As you can see there's a whole lot of stuff to do
before school starts this fall
So stick with us
'cos Phineas and Ferb are gonna do it all
So stick with us
'cos Phineas and Ferb are gonna do it all.

AFRICA

I hear the drums echoing tonight.
She hears only whispers of some quiet conversation.
She's coming in twelve thirty flight,
The moonlit winds reflect the stars that guide me
towards salvation

I stopped an old man along the way
Hoping to find some old forgotten words or ancient
melodies
He turned to me as if to say
"Hurry boy it's waiting here for you"

Gonna take a lot to drag me away from you.
There's nothing that a hundred men or more could
ever do.
I bless the rains down in Africa.
Gonna take some time to do the things we never
had.

The wild dogs cry out in the night
As they grow restless longing for some solitary
company
I know that I must do what's right
Sure as Kilimanjaro rises like an Empress above the
Serengeti

I seek to cure what's deep inside
Frightened of this thing that I've become.

Gonna take a lot to drag me away from you.
There's nothing that a hundred men or more could
ever do.
I bless the rains down in Africa.
Gonna take some time to do the things we never had

Hurry boy she's waiting there for you,
Gonna take a lot to drag me away from you.
There's nothing that a hundred men or more could
ever do.
I bless the rains down in Africa.
I bless the rains down in Africa.
I bless the rains down in Africa.

WHY WE SING

A sound of hope, a sound of peace,
a sound that celebrates and speaks what we believe.
A sound of love, a sound so strong.
It's amazing what is given when we share a song.
This is why we sing,
why we lift our voice,
why we stand as one in harmony.
This is why we sing,
why we lift our voice.
Take my hand and sing with me

PART 1

Soothe a soul,
mend a heart,
bringing together lives that have been torn apart

Share the joy
find a friend
It's a never ending gift that circles back again

This is why we sing,
why we lift our voice,
why we stand as one in
harmony
This is why we sing
why we lift our voice
Take my hand and sing with me.

Music builds a bridge
It can tear down a wall
Music is a language that can speak to one and all

This is why we sing
why we lift our voice,
why we stand as one in
harmony.
This is why we sing,
why we lift our voice.
Take my hand and sing with me.
This is why we sing
This is why we sing
This is why we sing!

POP GOES THE CLASSICS

A LOVER'S CONCERTO

How gentle is the rain that falls softly on the meadow,
Birds high up in the trees serenade the flowers with the melody
Oh, See there beyond the hill the bright colours of the rainbow.
Some magic from above made this day for us just to fall in love.

Oh hold me in your arms and say once again you love me,
and if your love is true everything will be just as wonderful

STRANGER IN PARADISE

Take my hand I'm a stranger in paradise
All lost in a wonderland, a stranger in paradise.
If I stand starry eyed, that's the danger in paradise,
for mortals who stand beside an angel like you.
Won't you answer this fervent prayer
of a stranger in paradise,
don't send me in dark despair from all that I hunger for,
But open your angel's arms to this stranger in paradise,
and tell them that they need be a stranger no more.

WHITER SHADE OF PALE

We skipped the light fandango,
Turned cartwheels 'cross the floor,
I was feeling kind of seasick.
And the crowd called out for more.
And the room was humming hotter,
As the ceiling flew away,
When we called out for another drink.
The waiter brought the tray.
And so it was later, As the miller told his tale
That her face at first just ghostly
turned a whiter shade of pale.

I CAN

I know I can be what I wanna be.
If I work hard at it.
I'll be where I wanna be.
If the truth is told, the youth can grow,
They learn to survive until they gain control,
Nobody said you have to be gangsters.
Read more, learn more, change the globe.
Get up children, do your thing.
Hold your head up little man, you're a King!
Young Princess when you get your wedding ring,
Your man is saying "She's my Queen!"

I know I can	I know I can
be what I wanna be.	be what I wanna be,
If I work hard at it.	if I work hard at it
I'll be where I wanna be.	I'll be where I wanna be.

ALTOGETHER NOW

Remember now that your forefathers died
Lost in millions for a country's pride.
Never mention the trenches of Belgium
When they stopped fighting and they were one.
A spirit stronger than war was at work that night.
December Nineteen Fourteen Cold clear and bright.
Countries' borders were right out of sight,
They joined together and decided not to fight.

Altogether now. Altogether now
Altogether now in noman's land Together!

Altogether now. Altogether now
Altogether now in noman's land Together!

STEVIE WONDERLAND

SIR DUKE

Music is a world within itself,
with a language we all understand,
With an equal opportunity
for all to sing, dance and clap their hands
Just because a record has a groove
don't make it in the groove,
But you can tell right away at letter A
when the people start to move.

They can feel it all over,
They can feel it all over people
They can feel it all over,
They can feel it all over people,

AS

Verse 1 Cue

*Just as all that's born is new you know what I say
is true,
That I'll be loving you always.*

Chorus 1

Until the rainbow burns the stars out in the sky.
Until the ocean covers every mountain high.
Until the dolphin flies and parrots live at sea.
Until we dream of life and life becomes a dream.

Do you know that true love asks for nothing....

Verse 1 Cue

*Just as kindness knows no shame know through all
your joy and pain,
that I'll be loving you always.*

Chorus 2

Until the day is night and night becomes the
day.
Until the trees and seas just up and fly away.
Until the day that eight times eight times eight
is four,
Until the day that is the day that is no more!

I WISH

Chorus

I wish those days could come back once more
Why did those days e-ver have to go
I wish those days could come back once more
Why did those days e-ver have to go 'cos I love
them so

SIGNED SEALED DELIVERED

Chorus

Here I am baby,
Signed, sealed, delivered, I'm yours, babe,
Here I am baby,
Signed, sealed, delivered, I'm yours, babe,

I'M YOURS

Chorus

So I won't hesitate no more,
No more, It cannot wait
I'm sure;
There's no need to complicate
Our time is short
This is our fate
I'm yours!

POP MEDLEY 2018

I LOVE MY LIFE

Tether your soul to me
I will never let go completely.
One day your hands will be
strong enough to hold me.
I might not be there for all your battles,
but you'll win them eventually.
I pray that I'm giving you all that matters
so one day you'll say to me
I love my life.
I am powerful, I am beautiful, I am free
I love my life
I am wonderful, I am magical, I am me,
I love my life.

HUMAN

Maybe I'm foolish, Maybe I'm blind
Keep thinking I can see through this
and see what's behind.
Got no way to prove it so maybe I'm lyin'
But I'm only human after all,
I'm only human after all,
Don't put your blame on me
Don't put the blame on me.

Take a look in the mirror,
what do you see
Do you see it clearer or are you deceived
in what you believe
'Cos I'm only human after all,
You're only human after all,
Don't put your blame on me
Don't put your blame on me.

Some people got the real problems
Some people out of luck.
Some people think I can solve them
Lord heavens above!
I'm only human after all,
You're only human after all,
Don't put the blame on me
Don't put the blame on me.

PLAY THAT SONG

When you gonna earn that pay
When you gonna play that song and make my

She said Play that song.

The one that makes me think of you.
That's all you gotta do eh eh eh
Play that song.
The one that makes me stay up till dawn,
The one that makes me go "ooh"
That's all you gotta do

HEROES

We go hideaway in daylight.
We go undercover when under sun.
Got a secret side in plain sight.
Where the streets are empty that's where we run.
Everyday people do everyday things,
but I can't be one of them.
I know you hear me now,
We are a different kind,
We can do anything.
We could be heroes
We could be heroes Me and you
We could be heroes
We could be heroes Me and you
We could be

CASTLE ON THE HILL

When I was six years old I broke my leg
I was running from my brother and his friends.
And tasted the sweet perfume of the mountain
grass as I rolled down.
I was younger then. Take me back to when.
I found my heart and broke it here,
made friends and lost them though the years.
And I've not seen the roaring fields in so long n'l
know I've come.
And I can't wait to go home.

I'm on my way.
Driving at Ninety down those country lanes.
Singing to Tiny Dancer and I miss the way you
make me feel it's real.
And we watched the sunset over the castle on
the hill
Oh over the castle on the hill Oh over the castle
on the hill
