

# Newyddion Criw Cymraeg

## Cymraeg Campus

As a whole school, we are working towards the Cymraeg Campus Silver Award - Wobr Arian. There are over 100 targedau for us to hit so lots of work across this year will be taking place.

The Criw Cymraeg have been working hard on Targed 5 - Welsh Assemblies. As a school, we now have a weekly Welsh assembly to promote the Welsh language and every class will be taking part in their own Welsh class assembly over the upcoming weeks! Arddechog pawb!

## Patrwm y Mis a Patrwm yr Wythnos

Look out on class Seesaw pages and our school Twitter account for our pattern of the month/week! This is a great way to speak Welsh at home with your child, as well as at school.

## Appiau - Apps

Are you looking to improve your own Welsh language? Why not download Duo Lingo and give it a go yourself! You can also check out some of the fantastic Welsh apps that are listed below!

Mwynhewch y hanner tymor pawb!  
Diolch yn fawr iawn.
