Dear Parent/Carer,

It has been announced today that schools in Wales by the Welsh Government will all close by Friday at the very latest to reduce the risk of Covid 19.

<https://gov.wales/statement-minster-education-kirsty-williams-school-closures-wales>

As a Buckley consortium, and to reduce the risk to our Westwood family, we are closing from Thursday 19<sup>th</sup> March @ 3.15pm. The Welsh Government have instructed schools to bring forward the Easter break. We are yet to receive clarity when we are returning to school and await the directive from Flintshire County Council.

Penguins and Afterschool Club will close on Thursday 19<sup>th</sup> March at the end of the school day. That means there will be no Afterschool club tomorrow.

All children will be provided with school learning grids, use of Seesaw and / or HWB via their class teachers. This work will be sent out if your child is in school and the details will on the website.

If your child is self-isolating at this time or absent from school, we will make arrangements for work books to be sent to you. They can use the online platforms in the first instance.

When we have more information, we will communicate this to you via email. If you need further help or support at this time please feel free to use the office email [wwmail@hwbcymru.net](mailto:wwmail@hwbcymru.net)

We know that these are very concerning times for us all and we have appreciated your patience and support during this last week. We will endeavour to keep you informed and do our very best for our Westwood family.

Kindest regards,

Mrs J Williams  
Headteacher
